

June 5, 2020

Dear Firefly Parent/Guardian,

The 2019-20 school year has officially come to a close. Thank you for all of your efforts at home to keep your students engaged in remote learning. We understand that these circumstances were difficult and appreciate you making your home the center of your child's learning.

After many attempts to contact you and/or retrieve your student's technology, our records indicate that you still have loaned devices in your possession. All technology must be returned by Friday, June 12. However, elementary schools are closed beginning June 8. You will need to return the loaned devices to the District Administrative Office at 1900 W. Monroe. This office is open from 8 AM to 4 PM Monday through Friday. You do not need to call ahead, just simply bring your device(s) and be prepared to provide your child's name, school and grade level.

Once again, thank you for your efforts during this challenging time. As we continue to receive more guidance and make plans for the upcoming school year, we will keep you informed. Enjoy a safe and healthy summer.

If you have questions about returning device(s), please call 525-7911 and we will do our best to assist you.

Sincerely,

Ms. Keneisha Boozer
