

How to enter a teacher's zoom and have your name appear:

Make sure you are signed in to your district Google account. You do not need to really ever sign out.

BEFORE entering Canvas or clicking on a zoom link, type Zoom.us in the browser bar.

Click on SIGN IN in the upper right corner.

Log in with your DISTRICT GOOGLE account.

A screenshot of the Zoom login form. It includes an "Email Address" field, a "Password" field with a "Forgot?" link, and a "Sign In" button. Below the "Sign In" button are checkboxes for "Stay signed in" and "New to Zoom? Sign Up Free". At the bottom, there are three social sign-in options: "Sign in with SSO", "Sign in with Google", and "Sign in with Facebook". A red arrow points from the text "Log in with your DISTRICT GOOGLE account." to the "Sign in with Google" button.

THEN enter CANVAS and go to your teacher's Zoom link from within your course.
