

Parents of Car Riders,

Please read the following dismissal procedure changes carefully as we continue to do what's best for the safety of our students during this time of construction.

Car Rider Pick Up Line: Parents will drive from Spring Street onto Lenox moving westbound toward College Street. When cars pull up to the building near the gym. Parents will stay in their cars and a staff member will come to the car to ask your student's grade(s) and name(s). The staff member will radio for your students to come out to the car. Students in grades K-3 will exit the gym doors and students Grades 4-5 will exit from the classrooms on the parking lot side. Once students are safely in your car, you are free to drive away west bound toward College Street. The pick up line must start on Spring Street and move onto Lenox in order to avoid blocking the Early Learning Center's (ELC) dismissal.

Students will not be allowed to cross Lenox Avenue and get into vehicles facing eastbound, nor will parents be allowed to get out of their cars to retrieve students. To help with the constant flow of traffic, we will encourage all parents to follow the Car Rider Pick Up Line Procedures.

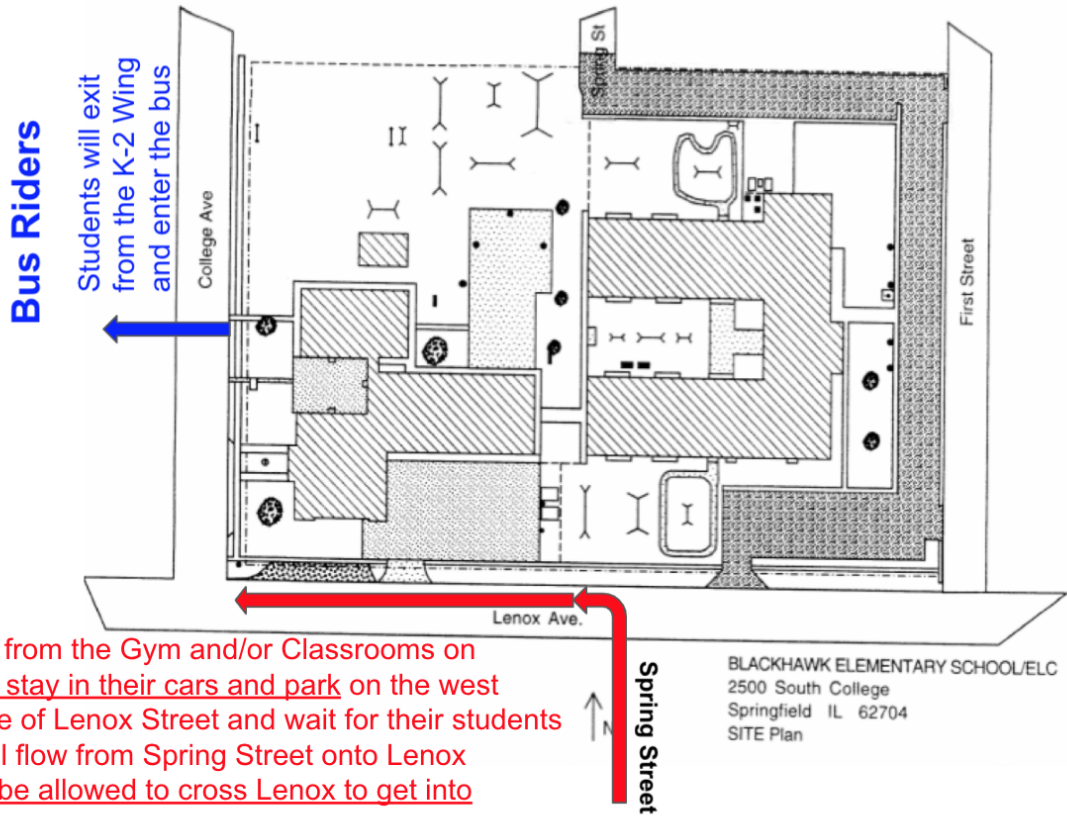

Why the change: For the safety of our students on a busy street, during construction and to prepare for inclement weather. This also helps us to properly show respect to the neighbors' property and neighborhood traffic flow around our dismissal area. At the start of this routine change, dismissal may take longer than expected until staff begins to recognize parents and vehicles, but once we get the flow of the line it will get quicker and quicker.

REVISED Black Hawk Dismissal Procedures
