Beta Application

The Lincoln Magnet School Beta Club is currently accepting applications for membership! Your child is welcomed to complete an application to join the Lincoln Magnet School Beta Club. Beta Club is dependent on student and parent support and involvement. In order for your child to be considered for the Lincoln Magnet School Beta Club, parents must understand and agree to support.

The National Beta Club is an organization which works to promote academic achievement, character, leadership and service. The National Beta club hosts many events every year. LMS Beta participates in a Leadership Summit at Southeast Missouri State University, as well as a State Convention which allows students to create projects and compete in the areas of STEM, the arts, and academic competitions. These all rely on student and parental support as students need guidance and transportation!

Please complete and return the bottom portion of this letter to the Beta Club Mailbox if your child is interested in applying. There is also an online application for the student to complete. Applications must be completed by December 17th to be considered for this school year.
