What do these terms mean to you? - ELEMENTS of a PROGRAM

Keys for success
Goals
Parts of a whole
Cooperative work
Steps to reach the end goal
Everything that combines together to meet a goal
Factors considered
Pieces of a puzzle
Pieces of a whole
Necessary steps
The pieces that fit together for end goals
Key components
Meeting goals together
The necessary things needed for a student to learn
Parts of the school
Discrete parts or steps toward an objective
Pieces needing to work together for the program to be successful.
Curriculum
Basics needed
Parts of a plan
Parts to reach a goal
Structure

Space
Curriculum
Inquiry Cooperative learning
Step wise thinking
fundamental musts
Working parts
What it is that you are going to learn
Scaffolding
The important factors that make a program successful
Smaller pieces
Parts
All components needed to meet a goal
Have all needed supplies and space
Reach all students interests and abilities
Key focus areas
Parts of a whole
Pieces that come together to accomplish an outcome
Process to a solution
Different parts
Diverse
Equitable
Meaningful Components
Instructional goals
Spaces....
Important factors
This is too vague
Parts of a whole
Materials you need
The parts of learning
Important for and middle and high school
Keys for success
Parts of a bigger picture
Everyone understanding what is needed to reach the end goal
Prioritizing needs
All parts of school
The parts of teaching and learning
Parts of a whole
Structured
Clarity
Diversity & Tools to success
What a program consists of
Parts or piece of
Goals and objectives
What is important to student and staff success
Curriculum

Goals
Flexible
Pieces of a plan.
Parts of the whole
Worry free
Curriculum and materials
The tools necessary to get to a goal.
success
A place for learning
Steps of learning
Components that make up portions of a process
Parts of a process
Structure
What is needed to complete the program
The basic outline
Parts of a whole
Specified areas
Important aspects of a program
What is necessary to engage learners; nuts and bolts
Instructional
Procedure to follow
What makes up a program.
Controlled
Diversification leading to equality
Progressive
Access to learning
Key components
Key factors
Curriculum plan
Equitable

What is a CLASSROOM?

An environment where a person learns among peers
A safe comfortable place to grow
Anywhere to learn
Learning environment for all
Learning environment where everyone feels safe
Any space where learning takes priority
A safe, inviting environment
Learning environment
Learning, family, growth
A place for learning

A place for all learners
Reflection of community
Safe and secure
A place where children are welcomed to explore and be part of a community
A place for learning and exploration
Learning environment
Learning spaces
Anywhere a member of society can productily learn
Part of the learning environment
A safe space where children learn and feel safe to take risks
A place where a group learns together as a team
Place where students feel comfortable to explore.
Anywhere learning takes place
A place of learning
Family learning environment
Place for learning
A place for students to learn
A space where learning takes place
Space for learning
Place for students to learn
Learning environment
A safe environment for students to learn
Place to learn and explore
A learning environmbt
A home
Anywhere and eveywhere
a place for teaching and learning where students can feel safe
Learning environment
Any place where learning is going on
A learning environment
The most important learning environment
Learning environment
A place where learning takes place
Learning environment
A place where learning happens in a welcoming, comfortable, atmosphere
Room where learning takes place
A learning environment
A place where learning takes place
A second home to some
Anywhere that learning can happen
Learning environment
Anywhere students learn
A learning environment for all students
Learning environment
A safe supportive environment where learning takes place

Any place where teachable moments occur
Place of learning and growth
Room for students to learn
Learning environment, second home
Learning environment
A home
Any area used for learning.
Learning environment
A student friendly community where learning is paramount.
A place for learning....
A safe place to learn
Place of learning and development
Any room where learning happens
A place of learning
Any place a child learns
A learning environment
Place of learning
Learning environment
Anywhere learning takes place
Anywhere learning takes place
A place where a family of learners gather
Any room where students are taught, but space to move around and explore
A defined learning space
Place of learning
A space where learning happens
A place where learning takes place
A place for learning
A place where all students are valued
Safe learning environment where mistakes are welcome!!!
Where learning takes place
A place children come to learn and feel loved
Learning laboratory
Safe fun
Student achievement opportunities
A flexible learning environment
Learning environment
A group
Environment to promote learning
A place to question
A place of learning.
A learning environment
Learning environment where kids feel valued
Safe, positive place to learn
A learning environment
A family

Flexible environment
Anywhere where learning occurs
A team

Environment for progress
Place where learning happens
A learning environment
Learning space
Managed environment
A place where learning takes place
A "place" for "learning"
Safe haven
Teacher and student working together
Space for students and teachers to learn together
Family of learners
Learning environment
A place where teachers and students are teaching and learning.
Place for students to learn
Defined area for learning
Learning environment
Learning environment
Everywhere
A learning environment
Space for learning that can be quiet
A community of learners
A collaboration space
Learning environment
A place where learning takes place.
The learning environment for all
Safe learning environment
Instructional center
A learning environment
Any setting for learning: could be anywhere
What is CLASSROOM Technology?
Anything that enhances learning

Tools

Anything that helps a student

A resource for learning

The future

Tool to help students learn

SAMr model

Device used to enhance understanding

Expensive

A way to connect learners

Resources

Necessary

Anything students need to be successful

Device and resources

Tools to help students succeed

Evolving systems

Anything used in the assistance of learning

?

Tools students use to enhance their learning

Tech that gives students access to information or a way to play and try things

The tools a teacher used

Technology that fosters educational growth and is INDIVIDUALIZED for each student's needs

Tools for students to learn

Technology used to facilitate learning

iPads, laptops, smart TVs, tablets

Tools to assist students in learning

The new education

Anything that students can use

Students have access to

Tools used to enhance education .

Technology that supports learning

Computers and learning resources

Used to connect students to global society

in high demand also useful

The future

Ability to connect to the internet

Overrated

Computers & other resources that assist in learning

Staying up to date with the times!

Student tools

Tool to build skills for future

Resources for learning

A tool to enhance learning

Essential

Technology for ALL subjects

A tool that engages and leverages learning.

Important resource
Access to the world
Any tool that enhances learning
A piece of the process
Tool
One-to-one
Anything that assist in learning
Required for 21st
Resource for learning
Tool
Chromebooks iPads laptops and newest tech that all students have access
All the tools....
Keeping up with 21st century skills
Any technology that aids in student learning
Tools to enhance learning
A tool
Real life
Internet based
Important tool for learning
Anything that needs juice to work
Computers, smart boards, distance learning
An absolute necessity
Updated
Tools for learning
Computers for all the students
Tools to make learning come to life or communicate ideas
Anything that facilitates learning in a classroom setting
21 century learning
Necessary
Resources for learning
Types of media used to learn
Tool to help student learn
Depends on age...
iPad Wi-Fi ability
Opportunistic
Integrated tools
Technology used in a classroom
Any innovative device that supports learning
Something to use wisely
Tools used in learning.
Technology that enhances learning
Tool for expanding knowledge
A pencil
Accessibility for all
Integration

Learning

All the tools used to teach our children. iPads, computers, etc.

Computers

Learning

Tools to aid in leaning and instruction.

Window to outside world

Drones

21st Century learning

Online available

Resources needed to learn today and tomorrow

Electronics

Equipment used to assist teaching

Useful tools to enhance learning of the 21st century

Something we need more of

Appropriate tech; connectivity

Being able to use technology to learn

The future

Using resources to learn

Resources to allow for individualized learning

Engaging

Ability to provide opportunity

Devices used for teaching and learning

Good wen it works

Tools for success

Assistive learning tool

Change

Any machine that helps people learn

Modern tools that enhance but don't replace teaching.

Cell phones

Using technology to enhance educational n for students

Endless possibilities

Essential

Resources for learning

All the tools around technology

Anything that facilitates learning

Just one of many tools to utilize

What does it mean to work in a group?

Teamwork is dream work

Working together towards a common vision

Collaboration respectfully

Accomplish a common goal

Collaboration learning

Collaboration

Give and take, listen, share

Teams

Working together to achieve outstanding results
Collaboration
Compromise
Listen and be heard
Collaboration and listen
Collaborate
To collaborate on a project as one
Collaboration
Collaboration with others
To cooperate respectfully to achieve more than I can alone
Feeling safe to be wrong around others
Compromise
Understanding
Good listener and contributor
Hearing all sides and contributing
Collaboration center
Cooperate and collaborate with each individual
Put multiple minds together to find the best possible solution
Collaboration
Team work
Create an end result
Learning from others
Learn from one another
Collaborate
Give and take
Everybody plays nice
learn how to be respectful of those even if you don't agree
Collaborate
Learn from each other
Collaboration
Collaboration
Collaboration
Collaboration, teamwork
Listening and learning from others to reach a goal
Everyone has a voice
Respect others opinion
Collaboration
Accept others' ideas
Cooperation
Collaboration
Collaboration
Quicker access to help
Communicate, collaborate, create, critical thinking
Learn how to deal with diversity
Collaborate

More brains better answers
Iles: Storage, outdoor space, media center
Come to consensus
Collaborate
Interaction.
Collaborate....
Collaboration
Collaboration
Listening
Collaboration
Collabotatin
Team work
Go Cubs
Social skills
Collaboration
Teams
Respect for others' opinions
To work collaboratively
Listen to others, share ideas and responsibility
Teamwork
To learn to manage people
To collaborate and learn from one another
Collaboration
Shared opinions
Working together to learn new skills
Work collaboratively
Compromise
Collaboration
Give and take
Space to work
Team work open opinions
Working together to achieve...
Gaining 21st century skills
Working together
Everyone has a voice
Listening to others
Biting my tongue
Collaboration with diverse ideas
To be a listener To be a giver
Teamwork
Participation
Teamwork
Working together
Collaboration
Collaborate

Be able to cooperate and work together for an end goal.
Together with ideas
Learning from each other
Open mindedness
Together
All contribute
Collaborating to problem solve and create an end product
Collaboration
Having a safe place to learn from each other
Talk with more than 1 person
Cooperation
Collaboration
Collaborate to common goal
Collaborate all voices heard
Getting finessed
Collaborate
Everyone has a voice towards a common goal
Team
To hear ideas different from yours
Communication
Collaboration
Give and take
Collaboration..... ability to socialize and discuss openly
Sharing ideas
Collaboration
Get along
Be a team
Respectful collaboration
Working together to make a great product
Listen
welcome and honor all input respectfully
Openess to talk
Many voices
Working with another yo complete a task
To get along with all peers
Sharing
To be collaborative
Accountability
Respect each other
