

Sticky Dots

Purpose:

A ranking technique to help group members:

- Sort priorities from a brainstormed list
- Move group toward consensus
- Select problems, causes or solutions
- Ensure full group participation
- Eliminates a win-lose situation

Process:

- After Charts are placed on the wall
- Give each person 3 dots
(Blue-Community & Parents, Orange – school staff)
- Have each person silently select 3 things they feel affect student achievement most and place their dots next to their top 3 choices.
