

FACE to F.A.C.E. Leadership Evaluation
September 13, 2012
Nelson Center – Franklin Room

Intended Outcomes:

Participants will have a shared understanding of family engagement and school improvement in District 186

Participants will use protocols learned today to create school action plans

What did you like about today's FACE to F.A.C.E. Leadership?

- I loved the location today @ the Nelson Center, I also like the different ideas from the other schools that were shared
- Open Dialogue
- Planning time, looking at AYP and discussing results with Merle
- Listening to Merle Siefken, time for planning
- Ways discussed to help improve ways our team can be of better service to our school and community
- I liked that we got to hear from other schools about what they were doing to improve scores
- I loved hearing about the three motivating factors from Merle Siefken @ ISBE
- Positive information, planning time
- Location and room
- I think we each got to work on building our relationships within the team
- Location/Room Nice! Light, scenery refreshing to be outside
- Planning time with team
- I loved to hear ideas from other schools
- Sharing ideas with other schools
- Sharing ideas with other teams and parent educators
- Everything
- Individual and group discussion
- Sharing of ideas from other schools
- Explanation of test scores by Merle
- Connecting with my principal and parent educator
- The chance to work with the team on our action plan
- I enjoy being able to plan with my team
- Celebrations action plans, looking at positives, meeting new staff
- Format

- Ideas to use with FACE team, classroom newsletters
- Improvements in relationships to parent and school
- Handout conversation from other teams
- Action Plan
- Success starts at home, many parents need help with learning childrens work to help their students
- We are going to type up notes for the staff to let them know what we discussed
- We will be having monthly envision math academics from November through March with a celebration in March. This is an academy for our parents
- Implement FACE @ school/program
- Our goals to be implemented, looking at having conversations with our populations who aren't meeting or who can be pushed to exceed
- Ideas from action plan
