# FACE to F.A.C.E.

with Dr. Walter Milton, Jr. & School F.A.C.E. Teams

## At Lanphier High School

1300 North 11<sup>th</sup> Street – in the Commons

**February 19, 2013**

**6:00PM to 7:30PM**

### Consider this:

On average, parents and teachers spend only 15 minutes a year talking to each other.

**And yet:** Evidence shows that students with families involved with school have better attendance, improved behavior, and higher grades.

***When parents are involved at school, their children go farther in school, and the schools they go to are better.***

Help others learn how your school community supports achievement!

Please come to a FACE to F.A.C.E. event with District 186 staff, parents/families and community members! We will eat dinner, talk and join in some '**Speed Sharing**'.

Please contact Peggy or Shannon  
at [525-3027](tel:525-3027)/[scall@sps186.org](mailto:scall@sps186.org) to **RSVP**

**Childcare and  
Dinner provided!**

**F.A.C.E.**

**Family And Community Engagement**

**Building Relationships & Partnerships  
to Support Student Achievement**
