**and easy feel of the environment**

**Time to reflect with team on action plan**

**I liked revisiting our goals and celebrating our successes**

**Our teams first talk about what we would like to do next year**

**Always enjoy hearing successes and ideas**

**Interaction with other schools**

**Celebrations**

**Planning with my team**

**The time to plan for next steps**

**Sharing**

**The chance to hear from other schools**

**Hearing the activities that are going on at other schools**

**Shared ideas with all of the schools**

**talking and sharing ideas**

**Engagement activities in the community i.e. buses to neighborhood**

**We can take back our refreshed energy and focus goals to start our next year**

**The ideas that were talked about**

**Action planning**

**Share what was presented tonight**

**Ideas for further engagement of families**

**Ideas for resources and activities**

**Ideas from other schools to try at ours**

**Our next steps plan**

**Talk to the face team about our victories**

**Many ideas from other schools**

**More training for teams on how to build involvement in schools and engage community members consistently**

**We need to keep our parent educators**

**May need to train some new members. We will not know until fall**

**Help with staff reductions**

**Celebrate**

**Stay focused**

**Continue to have these meetings  
Unfortunately CCPA wont exist . Would like to see a push to have similar programs within each school**

**Continue to have these opportunities to share**

**Spread the work at all schools about SPAC,**

**More ideas of grants**
